RE: BTech Mgt students from BDU

Please be advised that the arrangement between BDU and DUT management relating to the logistics surrounding the completion of the delivery for the 2010 BTech Mgt cohort has expired by effluxion of time. BDU have handed records over to DUT at a meeting on 08 December 2011.

DUT has appointed an administrator, Mr Ernest Nellmapius, to project manage the process and he can be contacted on 031 373 3009 and by e-mail on ernestn@dut.ac.za

Please note that students in the Midrand region will be administered by the BSU Pretoria offices and are requested to contact Ms Florina Matsapola on 012 548 4897 and by e-mail on florina@bsugp.co.za

Please note that this delivery process is for a limited duration.

We thank you for your patience whilst issues were being resolved.
