WHY CHOOSE DUT?

Choosing a career

Career decision-making in the 21st century is very intriguing, complex and obviously terrifying. In your choice of career, largely determines your future life. Not only what you will do but also the kind of people you will associate with, where you will live, the income you will get and more importantly, how much exciting satisfaction you will get out of your life. When entering DUT you will find that there is a wide range of career options that you can choose from and some of which you may never have heard of. Your challenge is to find the career that will suit you. Sometimes, individuals who appear to be at risk of specific career changes, may change their minds once they start their training. This may happen because they have not understood the University curriculum, being too optimistic of their own personal abilities, and/or an ignorance as to what the intended career entails. Prospective students, therefore, need to approach their career planning with care.

7 STEP CAO APPLICATION GUIDE

1. Contact the CAO by telephone, email or letter and have your documents ready.
2. Once your details have been recorded the CAO will send you a package containing the CAO Handbook and application forms.
3. The Admissions Office will also receive your details via the CAO. It is your responsibility to ensure that you meet the entrance requirements for your choice of study.
4. fill-out the application form via the CAO application site.
5. Your information will be reviewed on the CAO application site.
6. The selection process now begins. When you submit the DUT application form the application will be reviewed by the appropriate DUT department.
7. Once your information is submitted contact Scholarships and Bursaries for any outstanding documents and the necessary form.
