# Swiss UCI MTB World Cup

Alan Hatherly impressed at the 3rd installment of the UCI MTB World Cup Series in Lenzerheide, Switzerland at the weekend. Competing in the U23 Men's category, he finished in 17<sup>th</sup> place, literally 5 seconds behind 15 & 16th place. Alan was also the highest placed 19-year old in the race.

**"Thanks to everyone for the kind words and support! Really appreciate it! I could smell a top 10 finish, but I'm still stoked with my result," says Alan.**

Emil Lindgren was unfortunately not on top form and couldn't keep the pace. "I'm obviously not where I want to be at the moment," Emil says. "The speed and power weren't there for a world cup race, but I'm doing all I can to get into shape and back up to speed."

"Alan is riding really well," he says of his young Kargo teammate. "It is very important for the team as well as South African cycling."

Speaking highly of the European crowd, Emil says "on the positive side, I'm very happy about the support I got from everyone out there- the team, sponsors, fans and fellow riders were full of high fives and supportive words. I can't wait to be at full health again!"

A huge thanks to Europcar South Africa for the assistance with the team rentals while we were in Europe.

Next up, the team will be travelling to Stellenbosch in the Western Cape for the SA National MTB XCO Championships.

Thanks to our loyal sponsors for your continued support and motivation. We couldn't achieve what we do without you.
