DUT Community
Durban and Midlands Campuses

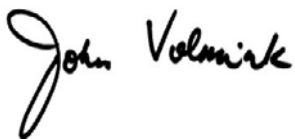

Dear Students and Colleagues,

Update on Student Protest Action

Following the violent student protest in Durban this morning, we have made a decision to close all DUT campuses today and tomorrow, (Tuesday, 27th of September 2016 and Wednesday, 28th of September 2016).

However, staff that have any important prior business arrangements may continue to stay on campus.

Yours Sincerely

Dr John Volmink
Interim Vice-Chancellor and Principal
