### What is ERASMUS +?

Erasmus+ is a program funded by the European Union. It focuses on the fields of education, youth and sport. Such a program gives you the opportunity to apply for a scholarship.

### Who is eligible?

The current partnership with Huelva University allows Master students to apply for a scholarship as long as we can find suitable programs taught in English.

### Areas covered

Electrical Engineering, Energy Engineering, Computer Engineering, Mechanical Engineering, Industrial Chemical Engineering, Mines Exploitation and Energy Resources Engineering

### The scholarship includes

	Duration	Type of mobility	Amount
Individual support	I semester Sept 2018 to Feb 2019	Master	800 € / month
Travel	Return ticket to Durban		
Insurance	Health, accident and travel insurance valid during the entire mobility period
