

The Enterprise Development Unit announces
A Public Lecture in Information Science

“Using Twitter data to provide qualitative insights into pandemics and epidemics”

Dr. Wasim Ahmed

PhD in Information Science, Department: Newcastle Business School
Associate Professor in Digital Business, Northumbria University, United Kingdom (UK)

August 3, 2018, 9:00am – 10:00am

**Venue: Auditorium, Hotel School, Ritson Campus, 7 Ritson Rd,
Durban University of Technology**

*A member from the Enterprise Development Unit
will precede the lecture.*

This publication is available in alternative media upon request. With approximately 23 000 students, the Durban University of Technology (DUT) is the first choice for higher education in KwaZulu-Natal (KZN). It is located in the beautiful cities of Durban and Pietermaritzburg (PMB). As a University of Technology, it prioritizes the quality of teaching and learning by ensuring its academic staff possess the highest possible qualification that they can get.

Please **RSVP** by the **30th July 2018** to Anelita Njili –
