SOUTH AFRICAN TECHNOLOGY NETWORK

TECHNOLOGY FOCUSED UNIVERSITIES

THE SOUTH AFRICAN TECHNOLOGY NETWORK TRUST (SATN)

The SATN trust was formally established in 2008 to support the consortium of technology focused universities to promote relevant, impactful and globally competitive qualifications, research and innovation towards a knowledge-based economy.

THE FOLLOWING OBJECTIVES HAVE BEEN IDENTIFIED:

- To act as an advocacy and lobbying agency for the consortium
- To be a catalyst for socio-economic development
- To promote and enable research and innovation
- To ensure graduates actively contribute to the economy
- To promote quality technology-based education and training
- To mobilise mutually beneficial national and international Education, Business and Industry networks
