

DUT DIALOGUE

THE HERITAGE OF WOMEN'S LEADERSHIP: A DIALOGUE ACROSS GENERATIONS

Women's leadership and activism has taken many forms over the years. To strengthen the thread that connects past and present struggles, people need to know the stories of generations other than their own.

This DUT Dialogue brings you into a conversation with both younger and older women who have confronted issues from apartheid to gender-based violence and poverty.

DATE: Thursday 19th September 2019
TIME: Hotel School, Ritson campus, DUT
VENUE: 11:00 to 14:00
