UPDATE FOR STUDENTS IN RESIDENCE

Dear Residence Students

As per our previous communiqué, an undertaking was made that allowances, which would have been paid on Friday 03rd April 2020, would now be paid earlier. I can confirm that these allowances were paid yesterday, 23 March 2020.

In the light hereof and following the President's announcement of a 21-day national lockdown, you are now urged to please vacate your residence, no later than close of business on Wednesday, 25th March 2020.

Since DUT will be compliant with the President's instruction for a national lockdown from midnight, Thursday 26th March 2020, you are advised to please vacate your residence as there will be no one on campus to service you. Student Residences, by their very nature, are confined spaces, which are not convenient for strict adherence to a lockdown. Therefore, you are advised to vacate your residence to comply with the national lockdown and to play a positive role in the fight to beat Covid-19.

Thank you very much for your understanding and co-operation and please take care.

Regards

Dr. MJ Nkonoane
Dean of Students
