**The above amended academic calendar is based on the following assumptions:**

The return of students and staff will be aligned to the COVID-19 lockdown level and pronouncements by the President and Minister.

Under level 2, groups of students will be phased-in, based on the national criteria to ensure a controlled return, physical distancing and other protocols to support student and staff health and safety.

Under level one of lockdown, all students will return to campuses with physical distancing and health protocols still in place.

*Disclaimer: The approved amended DUT calendar could be subject to change.*
