

UNIVERSITY STATEMENT

13 November 2020

Dear staff and students

UPDATE: COVID-19

South Africa is currently sitting at a total of 690 903 which translates to a recovery rate of 92,7%. Although our recovery rate looks positive, as of last night 65 more people died in the country after contracting the Coronavirus, pushing the country's death toll to 20,076.

The easing of lockdown regulations does not mean the virus is gone or less dangerous, this is done so that there could be economic recovery for sectors that were severely affected during the hard lockdown, which left majority of the South African community unemployed, in destitute financially and stressed due to salary cuts and job losses.

It is sad that there are still people in our country who continue to disregard lockdown regulations and public health guidelines. Some people are not adhering to the prescribed COVID-19 and lockdown protocols, of wearing a face mask at all times, hand hygiene and physical distancing. The DUT COVID-19 Response Task Team, together with the entire University Management urges all staff and students to follow the published precautionary guidelines at all times.

Here are the latest COVID-19 statistics for DUT:

Total number of people infected:	114
Total number of staff (positive):	54
Total number of students (positive)	60
Total number of recoveries:	106 (57 students and 49 staff)

We pray for the safe return to good health for the members of the DUT community who are currently fighting this disease.

The COVID-19 pandemic has had physical and mental effects on a number of people. If you are experiencing depression, anxiety or any other emotional difficulties, please reach out for assistance. Free, compassionate counselling and support is available to DUT staff and students as follows:

1. If you are a **student** and need mental health support, please contact Candice on candicel@dut.ac.za or Thokozani on thokozanis1@dut.ac.za for online counselling. You can also call 031 373 2266 in Durban or 033 845 8900/8828 in the Midlands.
2. Students should also visit this webpage on the DUT website for more information on Student Counselling and Health: https://www.dut.ac.za/support_services/student_services_and_development/student_counselling_and_health/
3. If you are a **staff** member, please feel free to email Samantha on rajcooms@dut.ac.za for counselling on various platforms. You can also call 031 373 2025 or email NobantuB@dut.ac.za for assistance.
4. Mental health support is available 24 hours a day to both students and staff. Please call the tollfree Higher Health national hotline on 0800 36 36 36 or SMS 43336.

To avoid congestion and delays at our campus entrances, please ensure that you always complete the **HealthCheck** online screening form **before** arriving on campus. There are three ways for you to access the online form:

- a. <https://healthcheck.higherhealth.ac.za>
- b. WhatsApp to contacts: 0600 110 000 / <https://wa.me/27600110000?text=hi>
- c. Dial in to HealthCheck tollfree on *134*832*2#

You can only proceed to enter campus when you have received the **green light** after completing the online form. Please show your device, permit and student/staff card to the campus security team at the entrance gate and you will then be given access to our campus. Kindly remember that the HealthCheck online form must be completed for each daily visit/attendance on campus.

COVID-19 protocols are still in place at DUT

Although South Africa is currently on Alert Level 1, there is still a very strong possibility of an increase in the rate of infections. The DUT community must continue to take the COVID-19 pandemic very seriously. For this reason, we want to remind you that the following rules still apply:

- Always wear a mask on campus and in communal areas in residence.
- Please keep a minimum of 1.5 metres away from other people and avoid large groups.
- Thoroughly wash your hands for a minimum of 20 seconds with water and soap.
- Sanitise frequently touched surface areas.
- Do not touch your face with unwashed hands.
- Sneeze, cough or yawn into your bent elbow, even if you are using a mask.

Thank you for your continued efforts in helping to prevent the further spread of COVID-19. We realise that the pandemic has disrupted our world. So please remain alert and do everything within your ability to stay safe, to wear your mask, to wash your hands, to protect your family and friends and to save lives...

Sincerely

DUT COVID-19 Response Task Team
