

The Faculty of Health Sciences, Durban University of Technology in collaboration with University of Pretoria and University of Zululand cordially invites you to a session on:

PEER MENTORSHIP- EVIDENCE SYNTHESIS RESEARCH

FRIDAY, 3 DECEMBER 2021 12H00 – 14H00 MS TEAMS

UNICEF’s Humanitarian Programme through its flagship programme called “Generation Unlimited” is collaborating with the University of Pretoria (UP) on areas that can advance training and skills for the youth. This project is about “Youth empowerment under health/economic crisis”, coordinated by Future Africa, University of Pretoria. Five mentees were successfully selected from Health Sciences, DUT to participate in this project. The main aim of the webinar is to share the principles of evidence synthesis research and allow colleagues to understand how this can be applied to their areas of research. It is also anticipated that DUT will participate in this project in future.

Professor Tivani-Mashamba Thompson
Seasoned Researcher and Project Principal Investigator, UP.

Professor Gugu Mchunu
Executive Dean: Faculty of Health Sciences, DUT

Dr Delarise Mulqueeny
Project Mentor , UniZulu
