

THENSA International Conference 2022

University, Business & Partnerships:
A driver for 4IR Solutions Post Covid-19.

REGISTRATIONS ARE OPEN!

LIMITED SPACE AVAILABLE!

You are invited to join us at the exciting and novel hybrid conference with local and international experts and participants from Universities, Business, Industry and Government. This conference takes on a new format which will include debates and round table discussions to find innovative strategies and solutions given the challenges presented by COVID-19 to Universities, Business and Government alike.

In this regard, we have secured an interesting line-up of local and international experts, scientists and activists who will share their research, personal and scientific experiences, and solutions to meet the challenges left in the wake of COVID 19.

We are confident that the 4IR solutions/policies that will emanate from this conference will pave the way for new strategies and priority setting which will have a positive impact on the social and economic future for South Africa and our Global partners.

Watch this space for the speakers and panel profiles.
