

UNIVERSITY STATEMENT

15 February 2022

Dear staff and students

Kindly take note that the individuals who have invaded and illegally occupied Steve Biko campus and Winterton without due process, as prescribed by Student Housing, including residence registration, are hereby formally requested to vacate by 17H00 today.

Only legitimately registered residence students may remain during the temporary closure of the three Durban campuses, as per the statement which was circulated to you earlier today:

Please note that failure to comply with this reasonable request in the interest of health and safety, will result in applicable consequence management.

Thank you for your co-operation and understanding.

Sincerely

DUT Management team
