Mrs. Thashni Pillay is the Director in Grants Management and Systems Administration at the NRF. She has worked at the NRF for the last twelve years, prior to which she worked at the CSIR. She holds a master's degree in Sociology and is busy with a doctoral degree in Business Leadership. She has worked with next-generation and emerging researchers for over ten years and has extensive experience in research management. She manages a team of fifteen people at the NRF who assist with managing grant funding across institutions.
