WEBINAR INVITATION

RESEARCH AND POST GRADUATE SUPPORT

Date : 23rd March 2022

Time : 10h 00-12h 00 (SAST)

Platform: Microsoft Teams

Presenter: Thashni Pillay

Director, Grant Management and Systems Administration, National Research Foundation(NRF), Pretoria, South Africa

For enquiries

Email:sureshk@dut.ac.za

Abstract

The presentation provides an overview of the funding opportunities for next-generation and emerging programmes supported through the NRF. It provides information on the policy, eligibility criteria and application requirements under the programmes. It highlights important stages of the application process and details those applicants should consider when completing their application process. The presentation concludes with a question and answers session to allow any concerns and unanswered questions from the presentation to be addressed.
