

CALLING ALL DUT STAFF, STUDENTS, AND ALUMNI

The DUT's Community Engagement Office under the DVC Research Innovation and Engagement in collaboration with The Division of Corporate Affairs and the Advancement and Alumni Relations supported by the Library Unit has started the Hands of Compassion Programme. We are calling on the DUT community to show compassion to those affected by the recent KZN floods.

Many people have lost their loved ones, homes, and other properties due to the heavy rains and floods in KZN experienced in the past week. Many communities in poor and disadvantaged areas are left destitute and are without shelter, food, and clothing. As a caring University, we need your help to support these communities.
