

UNIVERSITY STATEMENT

02 June 2022

Dear staff and students

RESUMPTION OF CAMPUS OPERATIONS IN DURBAN ON FRIDAY, 03 JUNE 2022

We are pleased to announce that the municipal water supply has improved following the repairs undertaken by Umgeni Water this week. Whilst the water supply is currently not at desirable levels, it is sufficient for business operations.

Therefore, on-campus activities at the Brickfield Campus, City Campus, ML Sultan Campus, Ritson Campus and the Steve Biko Campus will resume on Friday, 03 June 2022.

As you return to the Durban campuses on Friday, please remember that the use of a face mask is mandatory. If there are any further updates, we will publish them on the DUT website www.dut.ac.za and message you via the DUT PinBoard (staff email system) and DUT4life (student email accounts).

Sincerely

DUT Management team
