**Transport Allowance payment for NSFAS Funded Students**

Dear Student

Please find below update regarding payment of your transport allowances, for students not in residence.

Your August transport allowance will be delayed, due to a high number of students who needed to be moved from transport to residence. In order to ensure that the right students receive transport allowances, we will only release August transport allowances on the week 15-19 August 2022.

Remember to only access official University Statements via the DUT PinBoard or DUT4life.
