

## **GRADUATE PROGRAMME 2022**

Bidvest International Logistics (BIL) is a leader in the provision of global and local supply-chain and logistics services, with an international network of 250 offices in 120 countries.

BIL has graduate programme opportunities for Industrial Engineering, Supply Chain Logistics, Warehousing and Information Technology students who have completed their National Diploma or Degree with a 60% average for overall academic studies, from a recognised tertiary institution and are looking to put theory into practice in a world-class, global and local supply-chain and logistics organisation.

We are looking for passionate, energetic, hardworking, and committed graduates who can start a successful career with limitless learning opportunities. Our 12-18 months workplace experience and exposure graduate programme will provide a platform for qualified and successful graduates to be able to acquire workplace practice relating to their fields of study, enhancing their employability and career mobility.

You do not require any experience but need to be passionate about making a positive impact in the workplace and our industry. Bring your skills, qualifications, ideas and innovation, and we will provide you with exceptional exposure and experience as you start your career.

The Applicant must be a citizen of the Republic of South Africa. Applicants must be between the ages of 18 and 35 years old.

If you are ready to start your career and shape the world, here's what you need to do.

Register on our career's website ( <https://www.bidvestil.com/careers/> ) before 30th September 2022, click on BIL Graduate Programme 2022, answer the short questions and apply.
