## SHATTERPRUFE

is seeking Engineering students within the disciplines of Mechanical, Mechatronics, and Chemical or similar fields (Bsc Degrees, Advanced Diploma or Ndip,) who have recently graduated or who will be graduating shortly. We offer a limited number of development positions within our manufacturing facilities.

Since its establishment in 1935, the company has grown to become the leading manufacturer of laminated and toughened automotive safety glass in Southern Africa.

The company is a major exporter of automotive replacement glass to Africa, Europe, the USA, the Middle East and the Far East, and has been named “Exporter of the Year” on numerous occasions.

Interested students are invited to submit a CV (with full academic record) to [trainingadmincpt@pg.co.za](mailto:trainingadmincpt@pg.co.za) on or before 30 November 2022
