

APPLICATIONS FOR ADMISSION

For Advanced Diploma in Accounting (ADPACI)

Welcome to the Financial Accounting Department.

ADPACI aims to produce graduates who are not only good in accounting, but who are digitally enabled and who are also able to create meaningful relationships within the currently connected global environment. These are going to be creative ethical leaders who contribute to sustainable value creation. Also visit the DUT webpage for the DUT ENVISION2030 to which the ADPACI is aligned.
