COMPETENCY AND EXPERIENCE	Four Letters of Reference, from customers, <u>for providing a similar service</u> . Reference must have contact details for each referee (ensure that references are contactable). 	TOTAL FOR QUALITY AND FUNCTIONALITY		100 POINTS

(Proof of compliance for the above criteria must be attached and clearly indicated in your table of contents)

The percentage scored for functionality should be calculated as follows:

- Each panel member shall award values for each individual criteria on a score sheet.
- The value scored for each criteria shall be added and divided by the number of BEC members to obtain the marks scored for the various criteria.
- These marks should be added to obtain the total score.
- The following formula should then be used to convert the total points to a percentage for functionality:

$$Ps = \frac{So}{Ms} \times Ap$$

Where:

Ps = percentage scored for functionality by tender/proposal under consideration

So = total score of tender/proposal under consideration

Ms = maximum possible score

Ap = percentage allocated for functionality

Bidders that score less than 75% of the marks for Functionality will be eliminated from further consideration.

Where

Ps = points scored for price by tender/proposal under consideration

Pt = the price of the responsive tender under consideration

Pmin = the price of the lowest tenderer/proposal under consideration

7.3 Time is of the essence of this contract and SUPPLIES must accordingly be DELIVERED within the STIPULATED DELIVERY PERIOD. Should the SUPPLIES not be DELIVERED within that period, then the UNIVERSITY shall be entitled to cancel the contract in whole or in part.

7.4 If any DELIVERY by the SUPPLIER to the UNIVERSITY has not been made within the STIPULATED DELIVERY PERIOD, then the UNIVERSITY shall also have the right, until such DELIVERY has been made, to suspend payment of any amount due and payable under this and/or any other contract then in force between the UNIVERSITY and the SUPPLIER.

7.5 Where the contract relates to the purchasing of goods by the UNIVERSITY, the risk in the goods shall only pass to the UNIVERSITY upon :-

7.5.1 the goods being DELIVERED to a DULY AUTHORISED RECEIVING CLERK at the place of delivery as stipulated in the TENDER or ORDER and, if not stipulated therein, to the UNIVERSITY at 41/43 Centenary Road, Durban; and

7.5.2 the delivery note being signed by a DULY AUTHORISED RECEIVING CLERK on behalf of the UNIVERSITY.

The person making delivery of the GOODS shall be responsible for ensuring that only a DULY AUTHORISED RECEIVING CLERK accepts delivery of the GOODS and signs the Delivery Note. The person making delivery shall be entitled to request identification or make any other enquiries at the UNIVERSITY in order to establish that such person is a DULY AUTHORISED RECEIVING CLERK. The UNIVERSITY shall not be liable for any loss or damage arising from a failure to deliver the GOODS to a DULY AUTHORISED RECEIVING CLERK.

8. CLAIMS FOR LOSS OR DAMAGE

8.1 It shall be the obligation of the SUPPLIER, and not the UNIVERSITY, to make any claims against any carrier for loss of the whole or part of any consignment of SUPPLIES or for damage to goods accepted by the carrier for DELIVERY or for a delay by the carrier in effecting DELIVERY. The SUPPLIER shall ensure that any claims are made within the period prescribed by law and in accordance with the appropriate regulations and the SUPPLIER shall notify the UNIVERSITY of the claim which is being made by delivering to the UNIVERSITY a copy of the claims sent to the carrier.

8.2 The SUPPLIER shall pay all royalties and expenses and be liable for all claims in respect of the use of patent rights, trade marks or other protected rights, and the SUPPLIER indemnifies the UNIVERSITY against all claims (including legal costs) arising therefrom.

8.3 The SUPPLIER shall be liable to the UNIVERSITY or to any third party for death of, or injury to, or illness sustained by any person (hereinafter referred to as "INJURY") or loss of, or damage to property (hereinafter referred to as "DAMAGE") caused by or arising from the SUPPLIES, any defect in the SUPPLIES or the DELIVERY of the SUPPLIES. The SUPPLIER indemnifies the UNIVERSITY against any claims for INJURY or DAMAGE (including legal costs) of whatsoever nature arising from or caused by the SUPPLIES, any defect in the SUPPLIES or the DELIVERY of the SUPPLIES.

9. DIFFERENCE OR DISCREPANCIES

9.1 Where the UNIVERSITY has provided specifications, which will describe the principal feature of the goods and/or services, the SUPPLIES must be delivered exactly in accordance with those specifications. It is recorded that the specifications do not purport to indicate every detail of construction or arrangements of goods and services necessary to meet the UNIVERSITY's requirements and any such omissions shall not relieve the SUPPLIER of his responsibility for carrying out the work as required under the contract.

9.2 Where samples or patterns have been provided, then the SUPPLIES which are DELIVERED shall be equal in all respects to those samples or patterns.

9.3 The PROCUREMENT DIVISION shall determine, in its sole discretion, whether the SUPPLIES have been DELIVERED either exactly in accordance with the specifications or exactly equal in all respects to samples or patterns which were provided, and the decision of the PROCUREMENT DIVISION shall be *prima facie* binding on the parties and the onus shall be on the SUPPLIER to prove otherwise.

9.4 Tests and analysis of the SUPPLIES may be made as deemed necessary by the UNIVERSITY, and the cost thereof shall be borne by the SUPPLIER if the SUPPLIES which have been DELIVERED are not of the specified quality.

9.5 The SUPPLIER shall not be relieved of his obligations with respect to the sufficiency of the materials and workmanship and the specified quality of the SUPPLIES which have been DELIVERED by reason of no objection having been taken thereto by the UNIVERSITY's representative at the time the SUPPLIES were DELIVERED, or by reason of the acceptance of samples in sound condition.

9.6 If, at any time after DELIVERY of the SUPPLIES, the UNIVERSITY shall be dissatisfied with the SUPPLIES whether in whole or in part on account of a decision of the PROCUREMENT DIVISION referred to in sub-paragraph 9.3 above or on account of materials being faulty or of inferior quality or inferior workmanship or of bad design, then, where the defect is capable of being remedied, the UNIVERSITY shall notify the SUPPLIER immediately and require that the defect be remedied free of charge within a reasonable time. Should the SUPPLIER be unable or unwilling or fail to remedy the defect within the reasonable time stipulated by the UNIVERSITY, then the UNIVERSITY may have the necessary remedial work carried out by any third party. The costs of the remedial work shall be borne by the SUPPLIER and such costs may be deducted from any amounts which may be due and payable to the SUPPLIER.

9.7 Where the defect referred to in sub-paragraph 9.6 above is not capable of being remedied, the UNIVERSITY shall notify the SUPPLIER that the SUPPLIES have been rejected and the contract cancelled. The SUPPLIER shall, immediately upon receipt of such notification, arrange for the SUPPLIES to be removed and until the time of their removal, the SUPPLIES shall be held at the risk and expense of the SUPPLIER. The SUPPLIER shall, immediately upon receipt of such notification, also refund all payments made by the UNIVERSITY for those SUPPLIES together with interest thereon at the prime overdraft rate, charged by the UNIVERSITY'S bankers from time to time, from the date of receipt of such notification to the date of payment.

9.8 Where goods are being sold by mass or measure, same shall be supplied by nett mass and/or metric measure.

9.9 Any quantities which are stated in the order form are based upon estimated probable requirements of the UNIVERSITY during the period of the contract and the UNIVERSITY accordingly reserves the right, at any time prior to DELIVERY of the full quantity stated, to reduce the quantities it requires to be DELIVERED in which case only the reduced quantities shall be DELIVERED and charged for by the SUPPLIER. The SUPPLIER shall have no claim whatsoever against the UNIVERSITY after it has reduced the quantities to be DELIVERED.

10. DEFAULT

10.1 The UNIVERSITY shall have the right forthwith to cancel this contract, in whole or in part, under any of the following circumstances :-

10.1.1 if the SUPPLIER fails to DELIVER any SUPPLIES to the UNIVERSITY within the STIPULATED DELIVERY PERIOD;

10.1.2 if the SUPPLIER fails to fulfil any of its obligations in terms of this contract;

10.1.3 if the SUPPLIER is sequestrated, liquidated or placed under judicial management, provisionally or finally, voluntarily or compulsorily;

10.1.4 if the SUPPLIER commits any act of insolvency or enters into any compromise or arrangement with or assignment for the benefit of its creditors or fails to satisfy any final judgment granted against it within TEN (10) days after the date of the judgment;

10.1.5 if the SUPPLIER changes the identity of its owner;

10.1.6 if the SUPPLIER disposes of any of its assets other than in the ordinary course of its business.

10.2 If it appears to the PROCUREMENT DIVISION that the SUPPLIER is not executing the contract in accordance with the true intent and meaning thereof or that it is refusing or delaying to execute the contract or that it is not carrying on the contract at such rate of progress as to ensure DELIVERY within the STIPULATED DELIVERY PERIOD, then in any of such events the PROCUREMENT DIVISION may give written notice to the SUPPLIER of the cause of complaint. Should the SUPPLIER fail, within a reasonable time stipulated in the notice, to satisfy the PROCUREMENT DIVISION, in its reasonable discretion, that the contract is being and will be properly executed as agreed and/or that DELIVERY will be made within the STIPULATED DELIVERY PERIOD, then the UNIVERSITY shall have the right forthwith to cancel this contract.

10.3 Any cancellation by the UNIVERSITY, whether in whole or in part, shall be without prejudice to any accrued claims against the SUPPLIER and claims which the UNIVERSITY may have for damages arising out of such cancellation. The SUPPLIER shall have no claim whatsoever against the UNIVERSITY after the contract has been cancelled.

11. LIQUIDATED DAMAGES

11.1 It is recorded that time is of the essence of this contract and the SUPPLIES must be DELIVERED and all work completed by the SUPPLIER within the STIPULATED DELIVERY PERIOD.

11.2 If the SUPPLIER fails to DELIVER the SUPPLIES or any part thereof within the STIPULATED DELIVERY PERIOD, the SUPPLIER shall pay such sum as is stated in the SPECIAL CONDITIONS as liquidated damages to the UNIVERSITY. The UNIVERSITY shall be entitled to deduct such liquidated damages from any monies which may be due and payable to the SUPPLIER. The provisions of this paragraph shall be without prejudice to any other remedies or claims which the UNIVERSITY may have against the SUPPLIER arising out of this contract or at law and the UNIVERSITY may have recourse to such claims or remedies in addition to or in lieu of its rights to liquidated damages.

12. VAT

Where the SUPPLIER is a registered VAT vendor, the SUPPLIER shall :-

12.1 state the amount of VAT separately on the invoice; and

12.2 state its VAT registration number.

13. APPLICABLE LAW

The law of the Republic of South Africa shall be applicable to and govern in every respect this contract and the relations between the parties and, without in any way limiting the generality of the foregoing, the law of the Republic of South Africa shall be applied when this contract is construed, interpreted or implemented in any way and for the purpose of resolving any dispute which may arise between the parties.

13. ATTORNEYS CHARGES

In the event of the UNIVERSITY instructing its attorneys to institute legal proceedings against the SUPPLIER for any claim arising out of these GENERAL CONDITIONS or upon their cancellation, the SUPPLIER shall pay the costs of the UNIVERSITY'S attorneys on the attorney and own client scale, including collection commission.

14. CONFLICTING CONDITIONS

14.1 In the event of there being any conflict between the terms and conditions of the SPECIAL CONDITIONS and these GENERAL CONDITIONS, then the terms and conditions of the SPECIAL CONDITIONS shall prevail.

14.2 In the event of there being any discrepancy or conflict between any of these GENERAL CONDITIONS and any conditions contained in or printed or written upon any contract, stationery or document used by the SUPPLIER for the purpose of or in connection with the conclusion of this contract or the DELIVERY of SUPPLIES, then these GENERAL CONDITIONS shall prevail. The SUPPLIER acknowledges that the UNIVERSITY would not have entered into this contract with it unless these GENERAL CONDITIONS were to prevail and the SUPPLIER accordingly waives, renounces and abandons any conflicting conditions printed or written upon any contract, stationery or documents used by it, regardless of whether such contracts, stationery or documents contain a similar condition to this paragraph 15 in favour of the SUPPLIER. For the purposes of this sub-paragraph 15.2, reference to "these GENERAL CONDITIONS" shall be deemed to include the SPECIAL CONDITIONS.

15.ENTIRE CONTRACT AND NON-VARIATION

This contract records the entire agreement entered into between the parties and no alteration, variation or cancellation of this contract or waiver of rights or obligations by either party shall be of any force and effect unless committed to writing and signed by both parties.

16.CESSION AND ASSIGNMENT

Since this contract is personal to the SUPPLIER, the SUPPLIER shall not be entitled to cede or assign its rights or obligations under the contract or to transfer this contract to any third party without the prior consent of the UNIVERSITY and subject to such conditions as the UNIVERSITY may approve.

17.SEVERABILITY

Should any portion or provision of this contract be held to be void, invalid or unenforceable, for any reason whatsoever, then such provision or portion shall be deemed to be severable and excluded from this contract, and all the remaining terms shall continue to remain in full force and effect.

19. BBBEE Policy
