Late Registration Period	12 February to 23 February	10
Commencement of Lectures for Annual and First Semester Students	12 February	
Final date for any changes to first-semester module/ programmes already registered for (except cancellations and de-registrations)	11 March	
Final date for any changes to annual modules/ programmes already registered for (except cancellations and de-registrations)	16 April	

As we navigate through another successful academic year, we would like to draw your attention to the upcoming registration dates, particularly emphasizing the late registration period from **12 February to 23 February 2024**.

The late registration period has been specifically allocated to accommodate students who encountered challenges during the scheduled registration window.

We strongly urge all students to finalize their registration by 23rd February 2024, to avoid any potential complications or disruptions to your academic journey. Our Student Admissions team is readily available to assist first-time entering students, while the relevant Faculty office stands prepared to support returning/ continuing students with their late registration process.

For further detailed registration information, please **CLICK HERE**.

Your cooperation and adherence to these registration dates are greatly appreciated as they contribute significantly to the efficient functioning of our academic institution.

Should you have any inquiries or require assistance, please do not hesitate to reach out to us. Your academic success remains our top priority, and we are here to support you every step of the way.

Best Regards

Issued by the Registrar
Dr MJ Nkonoane
