

Prospective Students,

We are always excited to welcome new and returning students to the Department of Auditing & Taxation.

Our department's mission is to cultivate students who are creative, innovative, and entrepreneurial, encouraging them to be active participants on regional, national, and global stages.

We proudly collaborate with professional bodies such as SAIT, which accredits our Postgraduate Diploma. Additionally, we are in partnership with the Institute of Internal Auditors KZN Region, which operates from our Ritson Campus.

These partnerships bring numerous benefits for our students.

Prof. O. Stumke
Head of Department
