

PHOTOGRAPHIC AND VIDEOGRAPHY SERVICES

An accredited photographer and videographer has been appointed to take your official photographs on stage and record all graduation ceremonies.

Your guests should refrain from taking their own photographs and any recording during the ceremony.

The accredited photographer and videographer will issue details to you on the day of your graduation for payment and collections.

For the sake of family and friends who are unable to attend the event, we will also be livestreaming the ceremonies, check our website www.dut.ac.za
