As we navigate through another successful academic year, we would like to draw your attention to the upcoming registration closing dates, particularly emphasizing the appeals for **late registration opportunity** for students from **24 February to 07 March 2025**. Such late registrations must be approved by the Faculty EXCO.

This late registration period has been specifically allocated to accommodate students who encountered challenges during the scheduled registration and late registration window.

We strongly urge all students to finalize their registration by **07 March 2025**, to avoid any potential complications or disruptions to your academic journey. Our Student Admissions team is readily available to assist first-time entering students, while the relevant Faculty office stands prepared to support returning/continuing students with their late registration process. For further detailed registration information, please [CLICK HERE](#).

Your cooperation and adherence to these registration dates are greatly appreciated as they contribute significantly to the efficient functioning of our academic institution.

Should you have any inquiries or require assistance, please do not hesitate to reach out to us. Your academic success remains our top priority, and we are here to support you every step of the way.

Best Regards
