

DUT Celebrates Graduates, Interns and Leaders with a Heartfelt Luncheon

The Durban University of Technology (DUT) Student Services Office recently hosted a special luncheon to honour its recently graduated staff members, student leaders, and interns. The celebration took place at the prestigious Durban International Convention Centre (ICC), offering a moment of joy, pride and reflection for all who attended.

With smiles, laughter, and an atmosphere of triumph, the luncheon aimed to recognize and congratulate these remarkable individuals for reaching an important milestone in their academic and professional journeys. For many, this was more than just a celebration. It was a meaningful moment of recognition, especially for those who could not afford to host their own celebrations after graduation due to financial challenges.

The event featured inspiring speeches, joyful photo moments, delicious meals, and symbolic cakes proudly displaying “Class of 2025” and “We Did It!” messages. The gathering wasn’t just about looking back. It was also about looking forward. Graduates and interns were encouraged to keep striving, dreaming, and building on the foundation they’ve laid.

"This luncheon is our way of saying: we see you, we are proud of you, and we believe in your future," said a Student Services representative. "It's important that no one feels left out of the celebration especially when their hard work and resilience deserve to be acknowledged."

As DUT continues to cultivate a culture of care, support and empowerment, this event served as a powerful reminder that every step of the journey matters and every student and staff member deserves their moment to shine.
