

**DURBAN UNIVERSITY OF TECHNOLOGY  
SUPPLY CHAIN MANAGEMENT DIVISION**

**ERRATUM NOTICE**

**Bid Number:** DUT 2025/643

**Bid Description:** SUPPLY AND INSTALL SECURITY UPGRADE INFRASTRUCTURE OF CCTV SYSTEMS AND ACCESS CONTROL SYSTEMS

**Original Compulsory Briefing Session Date:** 29 September 2025

**Advert Publication Platform:** DUT Website and External Media

**ERRATUM: CHANGE OF COMPULSORY BRIEFING SESSION STATUS**

Bidders are hereby notified of the following **amendment** to the above-mentioned bid:

Due to **administrative and procedural error** in the publication of the bid advert on the official DUT website and Isolezwe newspaper, the **Compulsory Briefing Session** held on **29 September 2025** is hereby declared **non-compulsory**.

This change is instituted in line with the principles of fairness, transparency, and equitable access to procurement opportunities as required by DUT SCM Policy, the PFMA, and applicable Treasury Regulations.

The **closing date and time for this bid has been extended to the 30<sup>th</sup> of October 2025**. All other bid conditions and specifications remain the same.

Bidders who did not attend the session will **not be disqualified**. Questions and answers will be uploaded on the DUT website under the same advert.
