& INFORMATICS

DEPARTMENT OF
INFORMATION
SYSTEMS

DOCTOR OF PHILOSOPHY (PHD) IN INFORMATION SYSTEMS

Closing date for applications:
19 December 2025

Minimum Requirements:

A relevant Master's degree (NQF Level 9) in Information Systems, Computer Science, or a closely related discipline.

Programme Description/Caption :

The Doctor of Philosophy (PhD) in Information Systems at the Durban University of Technology (DUT) is a research-focused qualification designed for individuals seeking to advance knowledge and innovation in areas such as Artificial Intelligence, Data Science, Cybersecurity, Digital Transformation, and Smart Systems.

This programme provides candidates with the opportunity to conduct independent, original research that contributes to both academic scholarship and practical solutions addressing real-world challenges in technology, business, and society.

Graduates emerge as thought leaders, innovators, and scholars equipped to influence the future of information systems within academia, industry, and policy development.
