Advocate Jacqueline Fick (Jacky) is the CEO of VizStrat Solutions. Jacky has held several senior positions in government and the private sector and has experience in a range of different industries and fields. Although she studied law, her passion for cybersecurity and related issues remain key.

She has also worked closely with various sectors and organisations, both locally and internationally, in the prevention, investigation and prosecution of cases, including cyber-related offences. Jacky also presents training on cyber legislation, cybersecurity and investigations both locally and internationally.

Through her contributions VizStrat has also become a partner of the Global Forum on Cyber Expertise (GFCE). Jacky is also a member of the EU CyberNet Pool of Experts.

At present Jacky is also the Chairperson of the Eswatini Royal Science and Technology Park Board and serves on the Institute of Commercial Forensic Practitioners (ICFP) Board where she is responsible for strategy

Ms Olga Granova-Mooi is the Director of the Department of Internal Audit and Compliance Services at the University of Pretoria.

Olga holds an LLB (Bachelor of Laws), a BCom degree in Financial Management, a BCom Hons degree in Accounting Sciences, and a Masters' degree in Commerce.

She is a registered Chartered Accountant CA(SA), a Certified Ethics Officer, a Certified Risk Management Practitioner and a ISO-certified Lead Implementer of Business Continuity Systems.

Olga has over twenty years' experience in both public and private sector assurance, internal auditing, forensic investigations, ethics, risk and compliance management.

Ms Liezel Du Preez is a CA(SA) and Professional Manager in the Standards Department at the Independent Regulatory Board for Auditors (IRBA).

She leads ethics and audit standard-setting initiatives, including the adoption of the revised International Standard on Auditing 240 (Revised), The Auditor's Responsibilities Relating to Fraud in an Audit of Financial Statements, and the Ethics Standards for Sustainability Assurance, including Independence Standards, in the IRBA Code of Professional Conduct for Registered Auditors in South Africa.

Liezcel provides standards secretariat support to the IRBA Committee for Auditor Ethics, chairs the Pan African Federation of Accountant's Ethics, Audit and Assurance Technical Advisory Group, and was recently appointed to the International Ethics Standards Board for Accountant's International Ethics Standards for Sustainability Assurance Implementation Monitoring Advisory Group (IIMAG), contributing to global sustainability assurance standards.

Her earlier career at Ernst & Young, which included international experience in London, equipped her with deep technical expertise in audit.
