- Kindly note the following arrangements relating to the late registration period for 2026:
- The late registration fee will be **waived for the duration of the late registration period**, from **09 February to 06 March 2026**.
  - A grace period will be granted during the late registration period, during which students will be permitted to attend lectures. Please note that this concession applies **strictly for the duration of the late registration period**, and **no further concessions will be granted thereafter**.
  - The **Sports Centre Registration Venue** for **First-Time Entering undergraduate students (new students)** will be **open on Saturday, 07 February 2026**, from **08:00 to 14:00**.

As we navigate through another successful academic year, we would like to draw your attention to the upcoming registration closing dates, particularly emphasising the appeals for the **late registration opportunity** for students from **23 February to 06 March 2026**. Such late registrations must be approved by the **Faculty EXCO**.

This late registration period has been specifically allocated to accommodate students who encountered challenges during the scheduled registration and late registration window.

We strongly urge all students to finalise their registration by **06 March 2026**, to avoid any potential complications or disruptions to your academic journey. Our Student Admissions team is readily available to assist first-time entering students, while the relevant Faculty office stands prepared to support returning/continuing students with their late registration process. For further details on registration, please [CLICK HERE](#).

Your cooperation and adherence to these registration dates are greatly appreciated, as they contribute significantly to the efficient functioning of our academic institution.

Should you have any inquiries or require assistance, please do not hesitate to reach out to us. Your academic success remains our top priority, and we are here to support you every step of the way.

Best Regards
