BACHELOR OF EDUCATION

01 JAN - 31 DEC 2021

Bachelor of Education in Senior Phase and Further Education and Training (B. Ed SP & FET) Teaching

NQF 7

SAQA ID: 109294

Location: Indumiso Site, Midlands Campus (Pietermaritzburg)

Description of the Programme

“Your future in Teaching starts here”

The School of Education offers a four-year full time professional Bachelor of Education in Senior Phase and Further Education and Training Teaching (B Ed SP & FET) Degree spread over eight (8) semesters. The qualification will enable the qualifying student to be competent in facilitating teaching and learning within one of the selected specialisation areas [Economics and Management Sciences; Natural Sciences, Technology and Languages] in the Senior Phase and Further Education and Training Phase]

Role of a teacher

Teachers are the key contributors to the transformation process of education in South Africa. A teacher is a professionally trained individual who is competent, dedicated, compassionate and caring. He/ She will be able to fulfil the pastoral roles, being a leader, administrator, scholar, researcher, assessor, community member, a mediator of learning, designer of learning programmes and material and a lifelong learner.

Educational Environments:

Secondary schools are located at various places in our community. These include urban and rural environments. As an educator, you will be required to engage with learners in a school.

Each educator will be required to assess students' work and give regular feedback. Reports on learners' progress is done at the end of each term.

Knowledge Attitudes, Skills and Values

The following are essential requirements

- Good English language skills
- Knowledge in at least two subjects in a learning area that you will pursue in your studies.
- A positive attitude to teaching and learning
- Good human relations and interpersonal skills
- Concern for the upliftment of the community and society

Career Opportunities

On completion of the B Ed (SP & FET) you may apply to the Department of Education (DoE) Department of Basic Education which controls National Education for employment at a government school or choose to be employed at a private Institution. Graduates may also enrol for further study, e.g. B Ed (Hons) Degree
