Accounting Bridging Course

Location: Ritson Campus (Block C: 2nd Floor)

Purpose of the Course

The purpose of the course is to allow access to many students who would rather end up being excluded from the system should they not be afforded this opportunity to improve themselves and gain access to the university. These students could end up performing even better than other main stream students as they will be provided with accounting specific training that will be focused in improving their skills and understanding.

Learning Outcomes

After studying this course students should have:-

- An improved understanding of the basics of Financial Accounting
- An improved understanding of the basics of Cost and Management Accounting.
- An improved academic and quantitative literacy.
- A basic understanding of the tax systems
