A level 4 national certificate vocational (NCV) with the following minimum requirements:

- At least 50% in three fundamental subjects including English and
- At least 60% in three compulsory vocational subjects.

OR

Admission Requirement based upon Work Experience, Age and Maturity

For admission to entry level DIPLOMA and certificate studies:

A person may, subject to such requirements as the Senate may determine, be admitted to the Institution even if such a person is not in a possession of a National Senior Certificate, Senior Certificate or an equivalent certificate, provided that:

- The person shall have reached the age of 23 in the first year of registration and shall have at least:
 - three years' appropriate work experience; and/or

- capacity for the proposed instructional programme, which shall be assessed at the discretion of the respective Head of Department by a Senate approved admission assessment comprising of a DUT Standardised Assessment Test for Access and Placement (SATAP), Academic Literacies (AL) & English for Academic Purposes (EAP) and/or an appropriate subject or programme specific written assessment designed and marked by the relevant Department; and

- The relevant Faculty Board shall be satisfied that the person's standard of communication skills, ability to study successfully and/or work experience are such that the person, in the opinion of the relevant Faculty Board, should be able to complete the proposed instructional programme successfully. If required, the communication skills and study skills should be tested; and
- The person's application for admission in terms of work experience, age and maturity is approved prior to registration.

Applicants intending to gain admission through work experience, age and maturity must submit their applications at least four months before commencement of the academic year inclusive of the date of scheduling writing a requisite eligibility assessment.

Students who meet the minimum entrance requirements will be ranked according to rating criteria, The National Senior Certificate point would be used for each qualifying subject to determine a "combined score" for candidates. The "combined score" would thereafter be used as rating criteria for ranking of candidates. Candidates with highest score, in-line with the enrollment pan, would be given first preference.

Those applicants who have:

- Below 45% for English (home) or below 55% for English (1st additional) or
- Below 45% or Mathematics or below 65% or Mathematics Literacy

May be placed on the extended curriculum programme as they would be considered under prepared and at risk of not coping with the demands of the regular programme. The extended curriculum programme, through purposeful and structured set of learning experiences will provide these students with the academic foundations necessary for them to succeed on the regular programme.

Selection Procedure:

Meeting the minimum entry requirements does not automatically guarantee acceptance. It depends on the number of applicants and number of places allowed by DUT. A ranking system is used for admission to the Department of Auditing and Tax. Applicants are selected in order of merit, based on the subject list above, on a first-come first-served basis and may include an interview. Contact the Department for NSC point's calculation.
