

Career Information

Higher Certificate in Sport Management Science

Location

ML Sultan Campus (4th Floor B Block)

Description of the Programme

The Higher Certificate in Sport Management Science empowers graduates to obtain the necessary knowledge, skills, and practical ability to function within the sport business management environment. This will be achieved by providing a unique blend of comprehensive knowledge, skills and understanding in management and sport science. Graduates would be competent in analysing and practically applying relevant skills in a global context in the sport industry.
