HANDBOOK FOR 2017

FACULTY OF ACCOUNTING AND INFORMATICS

DEPARTMENT of INFORMATION and CORPORATE MANAGEMENT

Office Management and Technology
Library and Information Studies
Business and Information Management
Programmes

DEPARTMENTAL VISION AND MISSION

VISION

A preferred department for developing leadership in business technology and knowledge management.

MISSION

The Department of Information and Corporate Management strives for excellence and sustainability in its contribution to the provision of relevant vocational education and training, research and community engagement in the fields of library/information studies and Business and Information Management to ensure that both the career aspirations of its learners and the regional and national information and corporate management needs of the country are realised.

What is a University of Technology?

A university of technology is characterised by being research informed rather than research driven where the focus is on strategic and applied research that can be translated into professional practice. Furthermore, research output is commercialized thus providing a source of income for the institution. Learning programmes, in which the emphasis on technological capability is as important as cognitive skills, are developed around graduate profiles as defined by industry and the professions.

IMPORTANT NOTICE

The departmental rules in this handbook must be read in conjunction with the University of Technology's General Rules contained in the current General Handbook for Students.

NOTE TO ALL REGISTERED STUDENTS

Your registration is in accordance with all current rules of the Institution. If, for whatever reason, you do not register consecutively for every year/semester of your programme, your existing registration contract with the Institution will cease. Your reregistration anytime thereafter will be at the discretion of the Institution and, if permitted, will be in accordance with the rules applicable at that time.

Technician (OMT & BIM) Mr Y Naidoo, ND: IT (UNISA), B.Tech (IT) (DUT)

Technician (LIS) Miss N G Mjoko, ND: IT; B.Tech: Business Administration (DUT)

3. PROGRAMMES OFFERED BY THE DEPARTMENT

Programmes are offered in this Department which, upon successful completion, lead to the award of the following qualifications:

Qualification	Code
ND: Office Management and Technology	NDOMFI
Four Year Extended Curriculum Programme	
ND: Office Management and Technology	NDOMT2
Diploma: Business and Information Management	97803
ND: Library and Information Studies	NDLIFI
Four Year Extended Curriculum Programme	
ND: Library and Information Studies	NDLIS2
BTECH: Office Management and Technology	BTOMTI
BTECH: Library and Information Studies	BTLISI
Master of Management Sciences in Administration and Information Management	MMAIMI
Master of Management Sciences in Library and Information Science	MMLIST
PhD: Library and Information Science	PhdLISI

4. PROGRAMME INFORMATION AND RULES ENTRANCE REQUIREMENTS

4.1 OFFICE MANAGEMENT AND TECHNOLOGY PROGRAMME (NDOMT2)

ND: Office Management & Technology

The National Diploma in Office Management and Technology

NB: National Diploma will be phased out as from 1st January 2017-31st December 2019. After this date this qualification will no longer be offered at DUT.

Admittance to the programme was based on successful completion of the National Senior Certificate (NSC) with

English (Home) 4 OR English (First Additional) 4, and Mathematics 3 or Mathematics Literacy 4 and three 20 credit subjects (not more than one language, excluding Life Orientation).

Please note: This requirement represented the minimum requirement and students applying were ranked according to a points system, based on five (5) subjects.

OR

a Senior Certificate with a minimum of an E symbol on the higher grade or D symbol on the standard grade in **English**.

In addition, applicants were ranked for acceptance using their five (5) best subjects, including English and an additional language.

PROGRESSION REQUIREMENTS

On completion of the first year of study, learners may proceed to the second

year of study if they have passed one subject, being either Information Administration I or Business Administration I (major subjects). For the third year of study, learners must have passed one subject being either Information Ad- ministration 2 or Business Administration 2 (major subjects).

BACHELOR OF TECHNOLOGY: (BTOMTI) OFFICE MANAGEMENT AND TECHNOLOGY (3304038)

(Offered on a two year part-time or one year full time basis on the Durban/PMB campus)

ENTRANCE REQUIREMENTS

One of the following:

National Diploma: Business Administration
National Diploma: Commercial Administration
National Diploma: Office Management & Technology

MASTER OF MANAGEMENT SCIENCES DEGREE IN ADMINISTRATION AND INFORMATION MANAGEMENT

This is a thesis based qualification. Entrance into this qualification is a B: Tech: Office Management and Technology or Commercial Administration or Business Administration or equivalent, at the discretion of the programme. **Students with Bachelor's Degree in Technology** in Office Management and Technology or Commercial Administration or Business Administration **may gain entrance to Master in Management Sciences in Administration and Information Management.** The candidates have to apply for a conferment of status via the Faculty Board/Faculty Executive Committee/Faculty Research Committee or Executive Dean for Approval. The above rule will apply until B-Tech degree is phase out and the new HEQSF qualification is implemented, that is, postgraduate diploma: Business and Information Management (HEQSF 8). See Rules G24 and G26 in the Rule Book for Students and the Postgraduate Handbook

4.2 LIBRARY AND INFORMATION STUDIES PROGRAMME ND: LIBRARY AND INFORMATION STUDIES (NDLISI)

Admittance to the programme is based on successful completion of the National Senior Certificate with English (home) rating code 4 or English (1st additional) rating code 4; Mathematical literacy rating code 4 or Mathematics rating code 3.

OR

A Senior Certificate with a minimum of a D symbol in English on the higher grade. Applicants will be required to undergo a selection test and an interview

•

B. TECH: LIBRARY AND INFORMATION STUDIES

Entrance into this qualification is a ND: Library and Information Studies or equivalent. This level of study requires the learner to have achieved an average of 60% for three major subjects at the third-level of study, or, alternatively, two years appropriate experience.

MASTER OF MANAGEMENT SCIENCES IN LIBRARY AND INFORMATION SCIENCE

Entrance to this higher qualification is a B.Tech: Library and Information Studies (or its equivalent) with a minimum of 60% **obtained in Research Methodology (if the student completed B-Tech after 2016).** Registration is only completed when the Institution's Research Committee accepts the research proposal. The minimum duration of study is one year full-time or two years part-time.

DOCTOR OF PHILOSOPHY IN LIBRARY AND INFORMATION SCIENCE

Entrance to this higher qualification is a MTECH OR MASTERS: Library and Information Studies/Science (or its equivalent). This is an advanced qualification and is based on research with study duration of a minimum of two years full-time. Registration is only completed when the Institution's Research Committee accepts the research proposal.

SYLLABI for ND: Office Management and Technology (Syllabi subject to change without notice)

BUSINESS ADMINISTRATION I CODE: 040214612 ASSESSMENT: CONTINUOUS

SYLLABI

- 1. Economic principles.
- 2. Industrial sectors.
- 3. Forms of ownership.
- 4. Financing.
- Insurance.
- 6. Post and telecommunication services.
- 7. The Administrative function.
- 8. Office procedures and duties.
- 9. Financial administrative procedures.
- 10. Customer Services/Office Etiquette
- 11. Inter-Cultural

BUSINESS ADMINISTRATION II
CODE: 040214722
ASSESSMENT: CONTINUOUS

SYLLABI

- 1. Functions of management.
- 2. Information and office management.
- 3 Planning: What office work is to be done.
- 4 Planning: How will the office work be done.
- 5. Organisation: Principles of organisation.
- 6. Actuating and directing human resources.
- Control of office activities.

BUSINESS ADMINISTRATION III

CODE: 040215703

ASSESSMENT: CONTINUOUS

SYLLABI

- 1. Labour Relations
 - 1.1 Principles of LRA
 - 1.2 New Institutions
 - 1.3 Trade Unions
 - 1.4 Dismals
 - 1.5 Collective Bargaining
 - 1.6 Strikes and lockouts
 - 1.7 Employment contracts
- 2. Small Business Management
 - 2.1 Business Environment
 - 2.2 Objectives of business
 - 2.3 Causes of Business failure
 - 2.4 Forms of ownership
 - 2.5 Financing a business
- 3. Business Plan
- 4. Franchising
- 5. Research

COMMUNICATION I CODE:

059900512

NO EXAMINATION: Assessment: 100 % year mark SYLLABI

SECTION A: INTERPERSONAL COMMUNICATION

- L Communication Process
- Models.
- 3. Barriers.
- 4. Perception.
- Cross-cultural communication.
- Nonverbal communication.
- 7. Self-awareness.
- 8. Listening skills
- 9. Conflict resolution in interpersonal relationships

SECTION B: GENERAL BUSINESS WRITING SKILLS

- Article.
- 2. Summarising.
- 3. Correspondence.
- Short forms of communication.
- 5. Reports.
- 6. Notices, agendas and minutes.

SECTION C: ORAL COMMUNICATION

- 1. Group discussion.
- 2. Individual oral presentation.
- 3. Formal meetings.

COMMUNICATION II

NO EXAMINATION: ASSESSMENT: 100 % YEAR MARK

SYLL ARI

- 1. Organisational communication.
- 2. Visual/Graphic communication.
- 3. Interviewing, consulting and negotiation skills.
- 4. Problem solving.
- Small Group communication.
- 6. Reading skills (scanning, skimming, comprehension, critical analysis).
- lob application.
- 8. Translation skills.
- 9. More advanced practice in:
 - 9.1 correspondence
 - 9.2 report writing
 - 9.3 meeting procedures
- 10. Human relations and self-development.
- 11 Nature and field of Public Relations.

FINANCIAL ACCOUNTING I: MODULE I

CODE: 0401092120

SYLLABI

- 1. Define and advise the qualitative characteristics of financial information
- 2. Explain the need for a conceptual framework
- 3. Record and process basic accounting transactions in the accounting system
- Prepare financial statements of a sole trader (service and trading businesses) including the Statement of Comprehensive Income, Statement of Financial position and the Statement of Changes in Equity
- 5. Record and process year-end adjustments
- 6. Record and process entries relating to trading entities (ie perpetual and periodic methods)
- 7. Prepare manufacturing statement
- 8. Record and perform entries required for bank reconciliation

FINANCIAL ACCOUNTING I MODULE 2

CODE: 0401092120

SYLLABI

- Prepare financial statements for a sole trader using correct disclosure (Statement of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity and Notes to the financial statements)
- 2. Record entries and disclose correctly all information relating to Assets and Liabilities
- Prepare accounting records and financial statements for a partnership (including profit sharing, admission and liquidation)
- 4. Record the issue of shares for companies
- 5. Prepare financial statements for close corporations

- IAS 01 Presentation of Financial Statements
- IAS 01 Inventories
- IAS 18 Revenue
- IAS 10 Events after the balance sheet
- IAS 38 Intangibles
- IAS 37 Provisions and contingencies

Computer applications

FINANCIAL ACCOUNTING II (0401093220) (Module 2)

- IAS 01 Presentation of Financial Statements
- IAS 16 Property, Plant & Equipment
- IAS 36 Impairments of Assets
- IAS 21 Foreign exchange
- IAS 07 Cash Flow Statements

INFORMATION ADMINISTRATION I

CODE: 060205612

ASSESSMENT: CONTINUOUS - FOR PRACTICAL AND THEORETICAL WORK

SYLLABI

- 1. Introduction to Processing of Information
 - 1.1 Role of text and data processing in office automation.
 - 1.2 Flow of information.
 - 1.3 Systems approach.
 - 1.4 Hardware and software.
 - 1.5 Care and maintenance of equipment.
- 2. Computer Applications
 - 2.1 Computer literacy.
 - 2.2 Processing of text.
 - 2.3 Introduction to data capturing.
- 3. Practical Assignments

INFORMATION ADMINISTRATION II

CODE: 060205722

ASSESSMENT: CONTINUOUS- FOR PRACTICAL AND THEORETICAL WORK

SYLLABI

- 1. Information Processing Technology: Specific.
- 2. Assessment of user requirements.
- 3. Systems and Software Configuration.
- 4. Computer Security.
- 5. Information and Knowledge Management
- 6. Electronic Communication
- 7. Practical Assignments
- 8. Theory Assessments and Presentations

INFORMATION ADMINISTRATION III

CODE: 060205803

ASSESSMENT: CONTINUOUS - FOR PRACTICAL AND THEORETICAL WORK

SYLL ABUS

- 1. Management of Information and Technology.
- 2. Management Information Systems.
- 3 Evaluation of Software
- 4 Evaluation of Hardware
- In-house training/Consultancy services.
- 6. Networks (including the Internet).
- Skills Development
- 8. Managing Information, Technology and Training in the workplace.
- 9. Advanced Spreadsheets, Presentations, Database, Desktop Publishing, Internet and Email.

10. Practical assignments

OFFICE MANAGEMENT AND TECHNOLOGY PRACTICE (OMPT 101)

A minimum of 360 hours (9 weeks) of training in an appropriate environment is required. Each student is expected to present, in PowerPoint, a reflection of their training experience.

LEGAL PRACTICE I

CODE: 130303812

DURATION: 32 weeks

TUITION: Four periods per week

YEAR MARK: Four tests are held during the year. The best three are averaged for the year

mark.

EXAMINATION: I x 3-hour paper

SYLLABI Section A: The law firm:

The role of the private practitioner in the administration of justice; the structure and organisation of a legal practice.

- 1. The legal profession: Legal practitioners in private practice and the public and private sectors. The role of the legal profession.

The difference between Actions and Applications. Summonses and pleadings, notices of motion and affidavits. Preparation for trial: Setting down, discovery, subpoenas. Judgment and the taxation of costs. Appeal and review.
- 6. Debt collection in the Magistrates court. Nature of collection work and organisation of collections department. Magistrates Court Act 32/1944. Procedures before judgment: Citation of parties describing causes of action, written offers and consents, the summonses. Taking judgment. Procedures after judgment: Section 65 procedures and possible orders and steps thereafter.

Section C

Legal instruments:

- Affidavits: Nature of, and examples of when required. Regulations for administration of oaths and affirmations.
- 2. Powers of attorney. General and special. Preparation of.
- 3. Underhand agreements. Nature of, typing and preparation of, examples.
- Notarial documents. The notary public, his qualifications and functions. Preparation of notarial documents with special reference to antenuptual contracts. Some examples of other common notarial documents.
- 5. Wills. Nature of and requirements for validity. Analysis of basic contents: Testamentary trusts, usufructs, fideicommissa, codicils.
- 6. The Stamp Duties Act 77/1968. Nature and payment of. Time period and penalties.

Section D:

Basic conveyancing

- Brief outline of the deeds office and its functions, and the Deeds Registries Act 47/1937, and regulations.
- 2. The sequence of events, and preparation of the documentation involved, from deed of alienation to receipt of newly registered title, in a routine transfer of a residential erf between natural persons.
- Mortgage bonds. Nature of preparation of new mortgage bonds and cancellation of existing bonds.

Section F:

Practical lesson units:

Here the student is required, on receipt of relevant instructions, any incoming correspondence, documents, notes, tapes or prescribed forms, to open a file, type and prepare basic documentation and/or conduct routine procedures involved in the following:

- 1. Legal correspondence;
- 2. Preparing a statement of Account;
- 4. Powers of attorney and affidavits;
- 5. A simple will:
- 6. A deed of sale, lease, antenuptual contract:
- 7. Standard documentation for a routine transfer:
- 8. Various forms of summons: Provisional Sentence, Ordinary, Rent Interdict:
- 8. A defended civil action:
- 9. An application for summary judgment;
- 10. A debt collection matter;
- 11. Default Judgment in terms of either Rule 12, Section 57 or Section 58.
- 13. Section 65
- Execution: Warrant of Execution against Property, Emoluments Attachment Orders and Garnishee Orders.

LEGAL PRACTICE II CODE:

130303922

This subject comprises two modules, viz.

Legal Practice 201 (1303A7422) CONVEYANCING (LPRC211)
Legal Practice 202 (1303A7522) ADMINISTRATION OF ESTATES (LPRC211)

SEMESTER ONE

Legal Practice 201 (1303A7422) CONVEYANCING

SEMESTER TWO

Legal Practice 202 (1303A7522) ADMINISTRATION OF ESTATES (LPRC221)

Although Legal Practice II comprises two modules, neither is a prerequisite of the other.

EXAMINATION: Module I I x 3 hours Module 2 I x 3 hours

If a student passes the examination in each module, the student is credited with the subject. If a student fails a module but passes the other, the student carries the credit for the module passed until s/he passes the other module whereupon the student is credited with the subject.

SYLLABI

Module I: Conveyancing

- Introduction. Real and personal rights. Registration of real rights in land and brief outline of the system in South Africa.
- 2. The deeds registry, its personnel and functions.
- The Deeds Registries Act No 47/1937 and regulations. Deeds office practice and registrars' circulars.
- 4. The specialization and the organisation of the conveyancing department.
- 5. The subdivision of land. Minor subdivisions, establishment of townships

- 6. The transfer of real rights to land. The casual requirement of registration and effect of this. Different methods of transfer.
- 7. Sale of land: Alienation of Land Act 68/1981. Deed of sale, instalment sale of land.
- 8. A routine transfer: Analysis of a deed of transfer and sequence of steps from deed of sale to delivery of newly registered deed of transfer.
- 9. Other types of transfer: Estate, donation, partition and expropriation transfers. Transfers in terms of section 31, 33 and proviso to section 16 of Deeds Registries Act.
- 10. Certificates of registered and consolidated title.
- 11. Servitudes. Nature and various kinds of. Procedure for registration of.
- 12. Sectional Titles. Sectional Titles Act No 66/1971. Preparation of scheme and approval and registration thereof. Sequence of steps in the sale and transfer of a sectional title unit. The specialization's protocol.
- Mortgage bonds. Nature of real rights created by. Analysis of contents of standard building society bond. Preparation and lodgement of, Disposal of cessions, part payments, release and substitutions

Module 2: Administration of Estates

- Brief explanation of the South African Law of Succession. Wills, types of, analysis of contents, testamentary trusts, fideicommissa, usufructs, codicils.
- 2. The Master's office, its personnel and functions.
- Relevant legislation: The Administration of Estates Act No 66/1965, Wills Act, Estale Duty Act. Succession Act. Trust Monies Protection Act. Deeds Registries Act.
- 4. The executor. Nature and duties. Executor testamentary and dative.

Reference sources (advanced)

LIBRARY AND INFORMATION TECHNOLOGY III

LTEC302

Evolution of digital libraries

Strategic planning for the development of a digital library

Fund raising and cost

Technological devices necessary to operate a digital library

Collection and preservation in the library

Retrieval of digital information

The user of the digital information

Copyright and licensing

Promotion of the digital library

PROFESSIONAL LIBRARY AND INFORMATION PRACTICE III (WORK INTEGRATED LEARNING) LIPP301

Two months work integrated learning in a recognized library or information service.

The two-month period is completed during July and August and the learning and assessment are described in the third year work integrated learning manual. The learning aims to familiarize the student with information work in a wide-range of industries.

FOURTH LEVEL OF STUDY: B TECH:

LIBRARY AND INFORMATION STUDIES

115401

A student who has achieved an average of 60% for two major subjects in the third-year level of study, or a student with two years relevant work experience may apply for admission to study for the B.Tech. Degree in Library and Information Studies.

The following two subjects are compulsory:

I IBRARY AND INFORMATION PRACTICE IV

I EPR401

Organisational theory

Organisational culture

Organisation politics

Personnel management

Strategic management

RESEARCH METHODOLOGY

RMGD104

The research process the research proposal Data collection techniques Data analysis The research report

A mini research project

A choice of three instructional offerings from the following:

INFORMATION RETRIEVAL IV

IRET401

Indexing (process, languages, policy, quality, computers and indexing, internet and indexing, Indexing multi-media sources, practical indexing)

Abstracting (types, procedure, quality, automatic abstracting, practical abstracting)

Thesaurus construction (purposes and functions, process, practical thesaurus construction)

PRESERVATION AND CONSERVATION

PCON101

Appreciate the value of documentary heritage. Understand the nature of documentary materials. Identify the agents that cause deterioration of library and related materials and take appropriate action.

Apply of appropriate methods of storage, handling and preservation of different media.

Apply the techniques of protection, reformatting, repair and maintenance of different media. Manage an effective preservation programme.

INFORMATION MANAGEMENT

INFM101

Definition of information

Certain business management determinants and applications of information An integrated model of information (function) processes

Resource life-cycle management

Operations and personnel management in the information business

LIBRARY AND INFORMATION TECHNOLOGY IV

LTEC401

The management of a digital library Human resources planning Advanced information technology developments and implementations Interface design Database design Electronic publishing

Personalizing the digital library Records management

Digital archives Entrepreneurship

CHILDREN'S LIBRARY PRACTICE

CLIP101

Child development Children's literature Readers' guidance to children Services offered by the children's library Management of the children's library

READERSHIP SERVICES TO SEMI-LITERATES

RSLT101

Literature for adult learners Literary resources for adult Organisation and administration for adult literacy Types of library services An overview of literacy among adults Approaches to adult education

PHILOSOPHY OF LIBRARY AND INFORMATION SCIENCE PLISIOI

Orientation of different library philosophers Influence of certain philosophical perspectives Integrated theory of library and information science

Diploma in Business and Information Management

Diploma in Business and Information Management: Dip (BIM) – SAQA ID NUMBER 97803 – 380 Credits

This is a three year qualification.

The purpose of this qualification is to develop students with specific core knowledge, skills and career training in Business and Information Management who become life-long learners and engaged citizens aspiring to pursue career employment and professional growth both locally and internationally. The student will be competent in administration and business applications programs. The Business and Information Management programme also enables a student to pursue career pathways in administration in the various business environments. The qualified learner will have the competence to deliver an effective information service in a global environment towards meeting the requirements of clients in a diverse and changing society. Persons achieving this qualification will be able to supervise and manage in various business environments.

The student will be able to:

- Manage themselves, others and all business and management functions within the internal, external and global environment.
- Create and sustain a small business or entrepreneurial enterprise within the global context.
- Create strong and lasting customer relationships with internal and external customers pertaining to service excellence and quality within the business environment.
- To be able to work effectively with others as members of a team, group, organisation and community in being engaged citizens.
- Identify and solve problems and make decisions using critical and creative thinking within the business environment in the fields of Human Resource Management, Project Management and Law.

The Research Practice and Principles module which progresses from first year to third year will enable students to collect, analyse, organise and critically evaluate information. The curriculum is designed to provide students with the ability to understand, research, interpret and implement business and information management principles and practices to help grow the student within the business environment both locally and globally. The design provides for the progression from year one to year three whereby research forms the underpinning principle.

The Entrepreneurship module will enable the student to be competent in developing an idea into a successful business and gain the necessary skills and knowledge base to grow and manage the business venture. Further to this, the Information Management and Technology module equips students with the necessary skills to be competent within the technology driven business environment.

Professional and personal growth outcome is addressed in the Business Principles and Management module, which enables the student to become engaged citizens.

The curriculum has been designed so that students develop a culture of continual learning and develop their full intellectual and human potential. The pedagogy and assessment supports the attainment of the outcomes within the qualification.

Exit Level Outcomes

- Manage themselves, others and all business and management functions within the internal, external and global environment.
- Gain advanced skills and knowledge required for the management of Information and support systems as well as the application of information processing within the business environment.
- Develop, evaluate and manage Human Resource practices and policies as well as build and maintain successful relationships in the home, community and workplace.
- Demonstrate knowledge of philosophy, tools, attitudes and skills in the field of Project Management.
- Gain knowledge of Research concepts, skills and techniques.in designing a proposal.
- Gain advanced knowledge, skills and competencies to analyse, interpret and calculate Accounting and Financial problems in the Business and Information field.
- Create and sustain a small business or entrepreneurial enterprise within the global context.

Graduate attributes

I.Critical and Creative thinkers who work independently and collaboratively

- Graduates work in diverse teams to solve problems through respectful communication, negotiation and cooperation to effect change.
- Graduates make decisions independently and/or collaboratively and take responsibility for the implications of such decisions. Understand how decisions can affect others and make ethically informed choices.

2. Knowledge Practitioners

- Graduates have an in-depth knowledge in the field of Business and Information Management, and an ability to apply that knowledge in practice.
- Graduates apply relevant management principles to their own work, as a member or leader in a team and manage projects in multidisciplinary environments.
- Graduates extend their knowledge through research, inquiry and reflection using relevant technology and acknowledging the work and ideas of others.

3. Effective Communicators

- Graduates demonstrate proficiency in communicating and presenting arguments and ideas effectively in oral and written forms and to diverse audiences.
- Graduates recognise the ethical considerations inherent in using various media for communication.

- 4. Culturally, Environmentally and Socially aware within a local and global context
 - Graduates acknowledge and critically reflect upon personal ethical attitudes, decisions and conduct and act with integrity as part of local, national, global and professional communities.
 - Graduates recognise and respect difference and diversity in work and social contexts and practise non-discriminatory attitudes in relation to culture, gender, religion, sexual orientation, identity and ability
- 5. Active and Reflective Learners
 - Graduates will take active, personal responsibility for their learning to enhance their professional and personal life and career development.
 - Graduates show initiative and self-motivation in relation to their learning.

2 Minimum Admission Requirements

In addition to the requirements of the General Rules (Rules G7 and G21 (b)), the minimum entrance requirement are:

Compulsory Subjects	NSC	S	NCV		
Rating		HG	SG	NCV	
English (Home) or	3	E	D	50%	
English (First Additional)	4	E	D	50%	
	credit subjects (excluding Life Orientation). Not more than	subjects, including English and	subjects, including English and	(i)At least 50 % in three fundamental subjects, including English: and (ii)At least 60 % in three compulsory vocational subjects.	

3. Suitable Candidate Selection

All applicants must apply through the Central Applications Office (CAO). Selection will be based on the ranking of applicants who meet the minimum requirements. Preference will be given to applicants with the following subjects:

- Accounting
- Business Studies
- Economics
- Computer Related Subjects

4. Programme Structure

• The Diploma in Business and Information Management is a full time qualification and can be done over three years.
