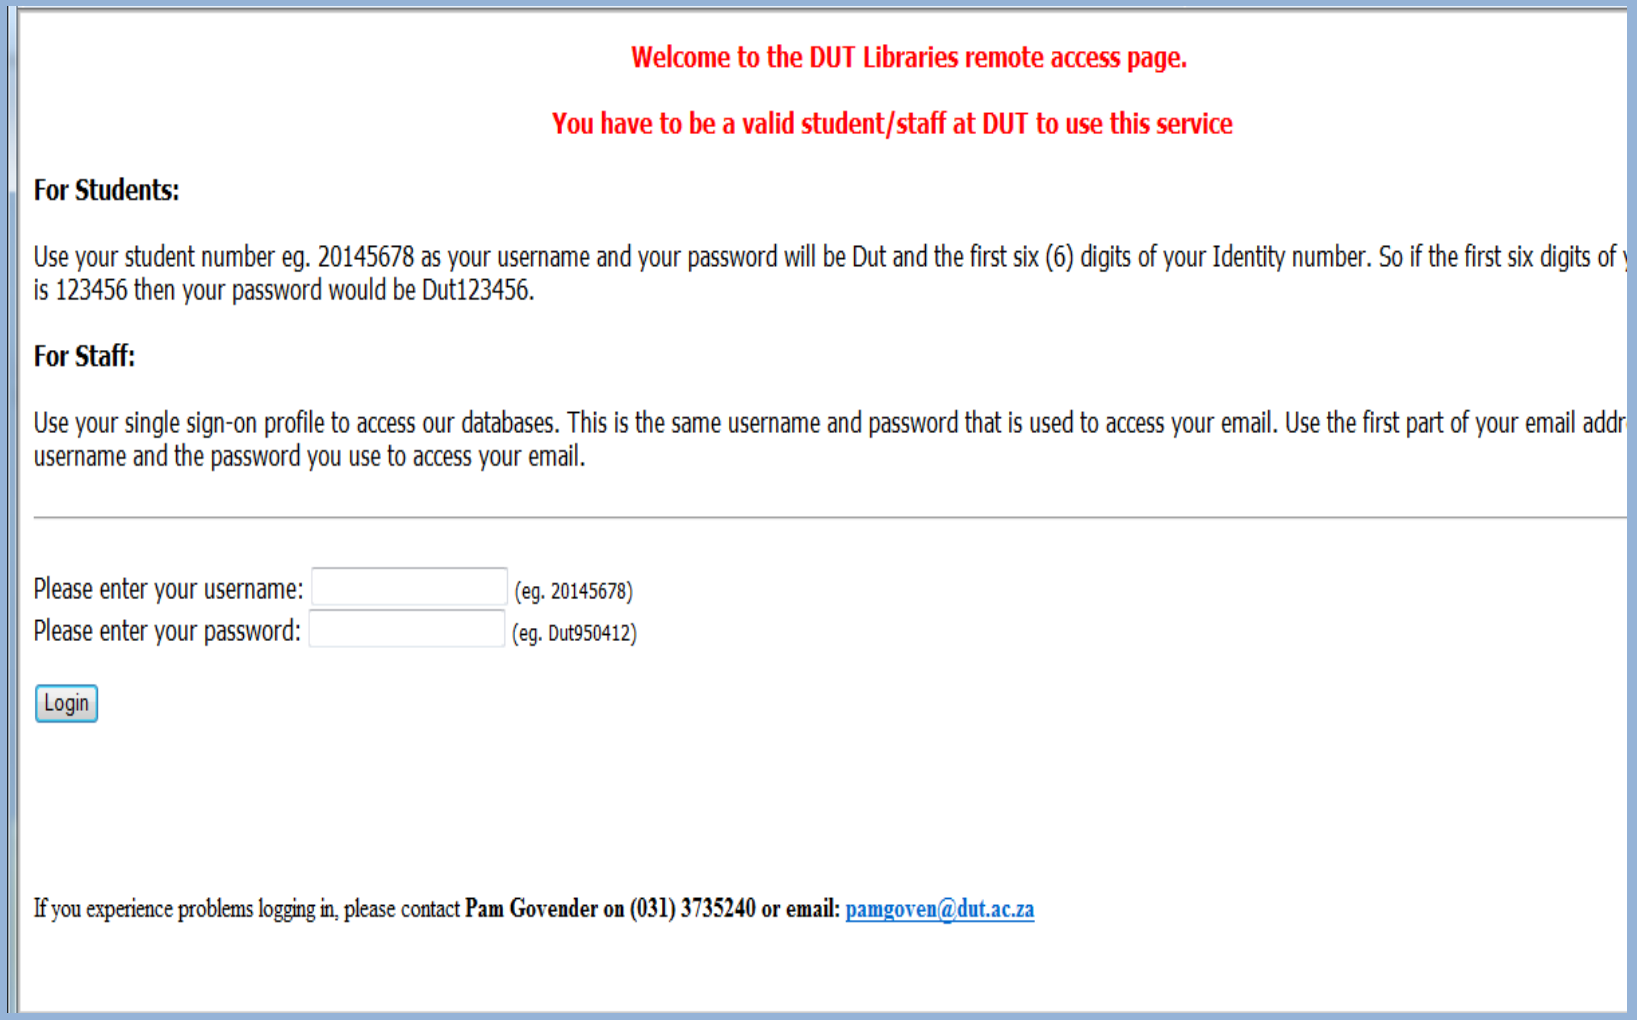
Available 24/7!



Welcome to the DUT Libraries remote access page.

You have to be a valid student/staff at DUT to use this service

For Students:

Use your student number eg. 20145678 as your username and your password will be Dut and the first six (6) digits of your Identity number. So if the first six digits of y
is 123456 then your password would be Dut123456.

For Staff:

Use your single sign-on profile to access our databases. This is the same username and password that is used to access your email. Use the first part of your email addr
username and the password you use to access your email.

Please enter your username: (eg. 20145678)

Please enter your password: (eg. Dut950412)

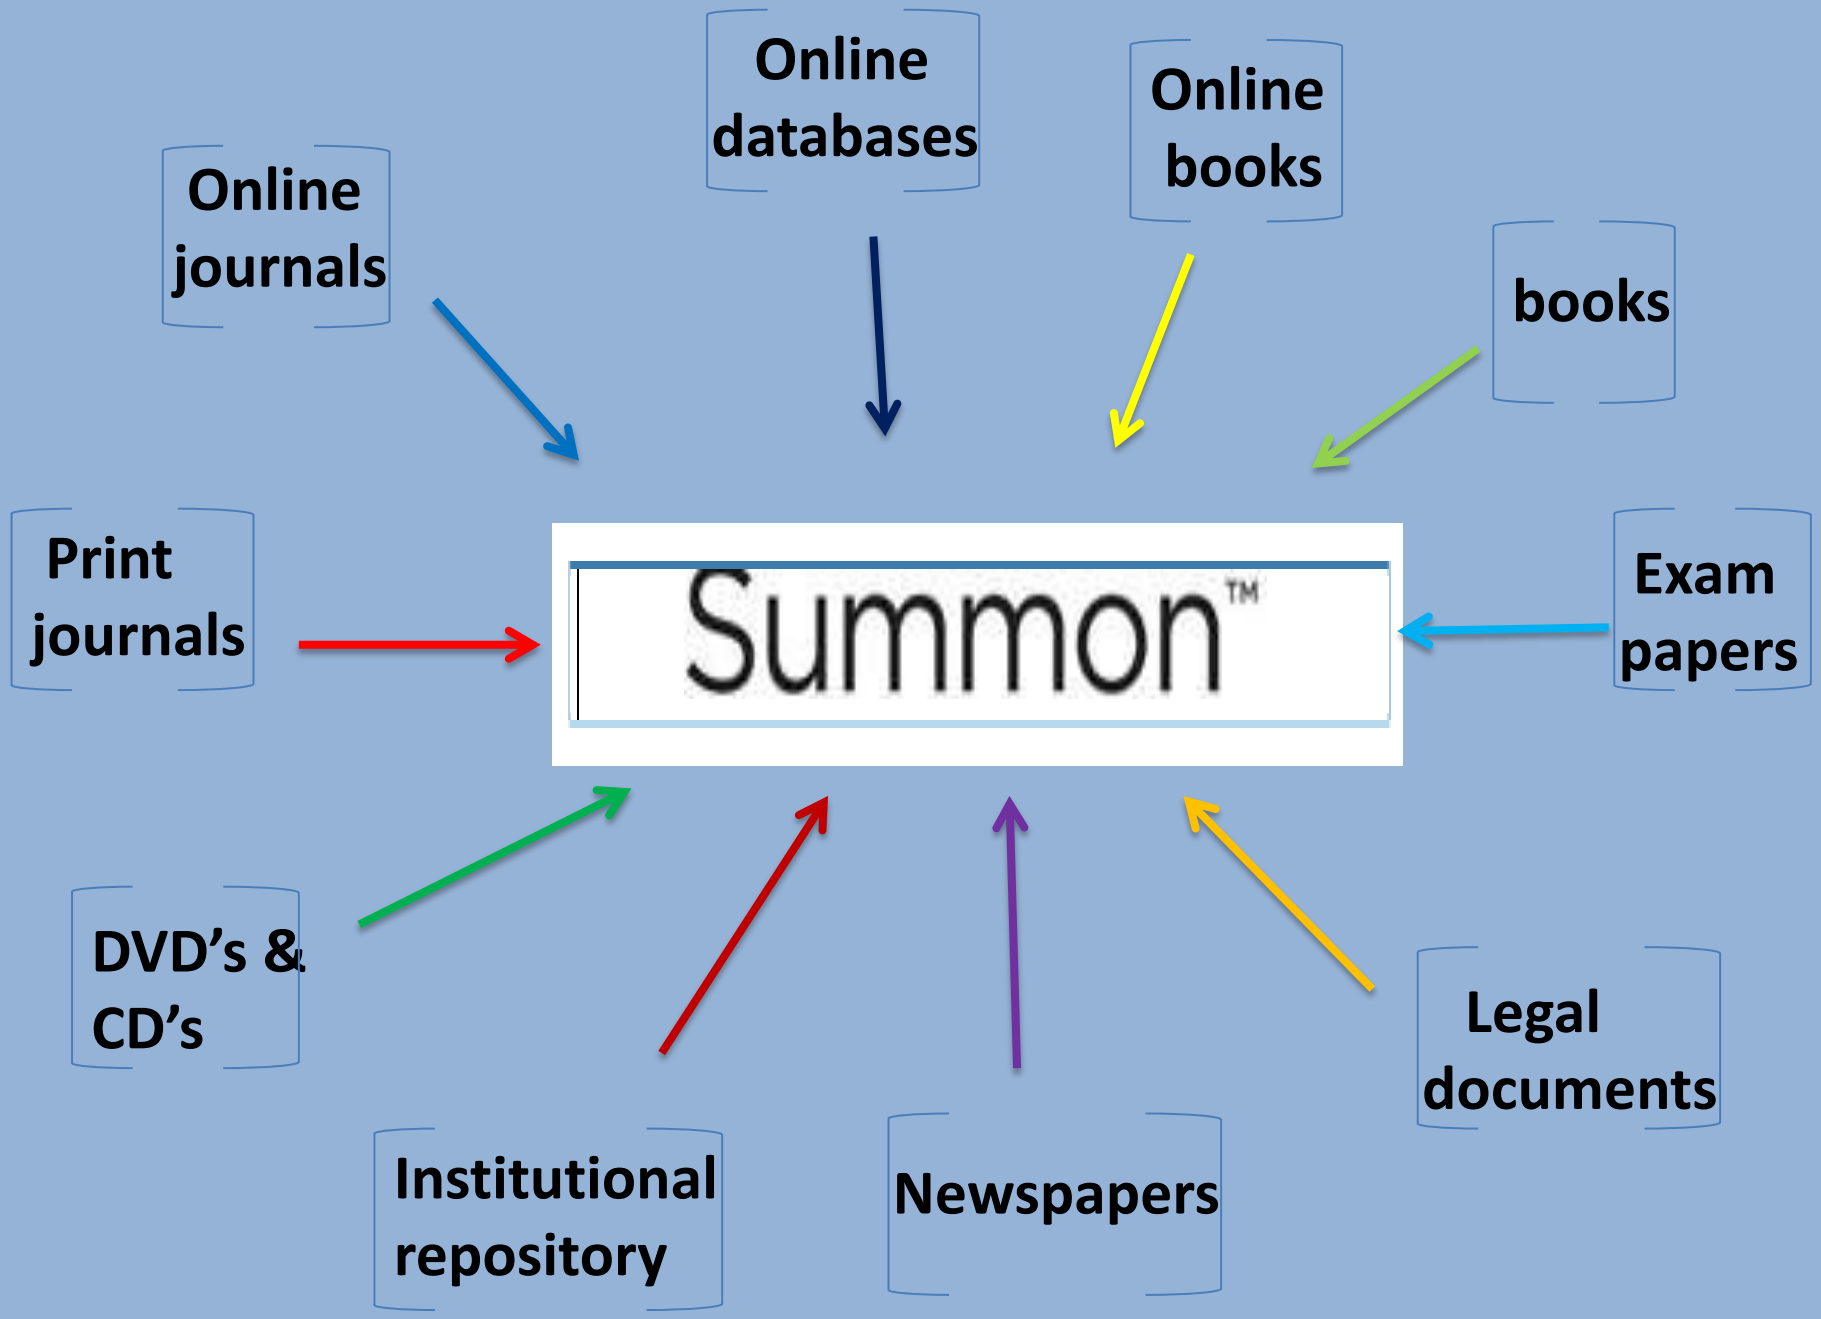
Login

If you experience problems logging in, please contact **Pam Govender on (031) 3735240 or email:** pamgoven@dut.ac.za

Also a discovery tool

Summon!

To search most of these resources



Online journals
