

Basketball league excels

(left to right standing) Alex Christians (Manager/Player), Craig Gilchrist (Head Coach/Player), George Fletcher (Assistant Coach/Player)
(Seated from left to right) Kaya, Rocco, Nhlanhla and Kyle.

The eThekweni Basketball Association (EBA) has run two successful seasons under the League Director, Paul Spanos.

The veterans' team headed by former SA captain Craig Gilchrist has dominated the league with some good showing by their junior team which consists of players from Durban High School. Durban University of

Technology has also shown a lot of promise finishing in the top 3 in both seasons.

Spanos had this to say, "Since we resurrected Basketball in eThekweni we have been growing from strength to strength.

"The league is solely funded by the players and we look forward to interested individuals and companies to

partner with us to grow the sport." Basketball development is being carried out by EBA in partnership with the eThekweni Municipality which then produces the boys and girls under 18 teams which compete in the KZN SALGA games. Last year eThekweni boys came runners-up and the girls team won the tournament.
