

# Innovation Technology Business Incubator @ DUT

Invo Tech is a Business Incubator based at the Durban University of Technology. It is supported by Seda. Invo Tech supports new and emerging innovation and technology companies by providing targeted resources and services.

Business incubation produces successful, freestanding and financially viable firms. Invo Tech boasts a centre with fully equipped operational office premises providing business solutions at minimal cost.

Invo Tech seeks to attract clients with novel business ideas that can be converted into new patents or intellectual property. Since inception, Invo Tech has attracted a number of exciting projects. Invo Tech has strategic relations with government agencies, funders and international partners. Contact Invo Tech on 031-373-6792 or [invotech@dut.ac.za](mailto:invotech@dut.ac.za) or [www.invotech.dut.ac.za](http://www.invotech.dut.ac.za)
